FEEL THE LOVE, VALLEJO!

Valentine's Day is Friday the 14th and all the sweetness is gonna be DOWNTOWN!

Vallejo's first Art Walk, to be held every Second Friday from now until eternity, will launch on its maiden voyage Friday, February 14th! We start at 5 and you can check out all kinds of wonderfulness...DJs will be spinning in the Hub, music will be pouring out onto the streets, and galleries and businesses will be open throughout the downtown district.

Wanna play? **We are still looking for artists, food vendors, musicians, the whole rigamarole to fill the streets!** Those who wish to participate are encouraged to contact Sean via www.vallejoartwalk.com. We hope to have lots of creative participation, so let us know what you're bringing to the party!!!
