

Vallejo Main Street's 10 th annual Wednesday night street festival is evolving with a new name...VALLEJO VIBRATIONS...and a new location...on Virginia Street between Sonoma Blvd and Sacramento Street.

There is a new "Kid's Corral" hosted by the Greater Vallejo Recreation District (G.V.R.D) which will allow younger children to enjoy the event without Mom and Dad wondering where they are.

They are also working closely with motorcycle enthusiasts to provide retailers and events for the motorcycle enthusiast in us all.

Bring the whole family, there is something for everyone to enjoy. Great music from some of the best musicians in the bay area, dancing, excellent food, a beer and wine booth, artists and craftspeople.

Vallejo Vibrations will make its rip roaring start on July 1th 2009, and then continue for 9 straight Wednesday evenings of great free music and good times in Downtown Vallejo. See more at www.vallejomainstreet.com or call our Promotion committee chair, Robert Briseno for more details – 707-246-0197
