

Alvon Plays "Frustration" -- 6/11/12

6/11/12 -- GVRD and the arts community are supporting a summer concert series. This first event was held in Children's Wonderland on Amador St. and the performer was Alvon Johnson.

Here is Johnson performing one of his originals: Frustration.

Three more concerts are planned over the summer. Admission is free! This event was lightly attended...so we'll let you know when the next one is.

P.S. Alvon rocks!
