### DOJ Drops Romero Case

1/14/14

A letter just released by the Criminal Section of the Civil Rights Division of the Department of Justice indicates that the DOJ will not be continuing with any investigation of the killing of Mario Romero, and the shooting of Joseph Johnson by Vallejo police on September 2, 2012.

The letter, addressed to Solano County District Attorney Donald duBain states that, "After careful consideration, we concluded that the evidence does not establish a prosecutable violation of the federal criminal civil rights statutes."
