

## Food for those in need with CALIFAS

4/28/14 -- Vallejo resident Larry Pratt brings food to residents at the Marina Heights and Marina Vista apartments every other Friday. His small group of volunteers and family members work to provide for those members of the Vallejo community in need, but more volunteers or donations are always welcome.

The name of the group is CALIFAS which stands for: Center for Advanced Learning Improving Family Awareness and Stability.

To learn more or help out, you can give Larry a call at: (707) 334-9351
