

## The Cosmobot - Rocket Ship to Oblivion -- 5/12/14

5/12/14 -- Here is a little visit to Vallejo's own Steam Punk Haven, Obtainium Works for a tour of the Cosmobot, a cocktail dispensing robot built by Sam Coniglio...AKA Professor Samuel Tweed.

No expense was spared in the creation of this projectile to oblivion! Enjoy the tour hosted by the mysterious Anouk and her lovely assistant Alex.

P.S. The Obtainium Cup Contraptors' Rally is set for July 27 on Mare Island. For the love of gizmos...don't miss it!!
