

Gearheads' Paradise--Western Engine and Model Exhibition--7/21/09

Gearheads' Paradise

Western Engine and Model Exhibition

7/21/09

By Marc Garman

Went to check out the Western Engine and Model Exhibition on Saturday July 18 at the Veterans' Hall on Admiral Callaghan Lane. There were hundreds of running engines of every imaginable style and configuration. The cacophony and variety of this miniature motorized invasion is best captured in the video below !
