The Godfather Presents: Public Safety Costs

General Fund Fiscal Year 6/30/07

By Paul Norberg--retired CFO--foreword by Marc Garman

It is with great pride that VIB presents a work of landmark proportions. This document is a fiscal work of art. A veritable rosetta stone of clarification. An earth-shattering literary and factual revelation that dwarfs the works of both Tolstoy and Shakespeare.

Uuuh, okay okay. If trying to comprehend public safety costs and get the overall picture makes your head fuzzy...this may help.

Here it is:
